Installations of **regi_star 20** in 76 countries

A good reason to celebrate!

In November 2019 BST eltromat International shipped the 1000th regi_star 20 register control system.

Our regi_star 20 defines a worldwide standard within the printing industry. Today regi_star 20 systems operate successfully in 76 countries all over the world.

Many thanks to our customers and our entire team!
